Eight Kingdoms (BOOK)

[8328-10]

\$12.95

The Bible speaks of eight kingdoms. Two of the eight kingdoms - the kingdom of God and the kingdom of heaven - constitute the central message of the New Testament. Yet, the kingdom message is completely unknown by a large majority of ministers and their congregations all across this land. There has never been anything spoken of so much, yet understood so little. The errors of reformed theology and Arminianism alike are rooted in a misunderstanding of the kingdoms. Most cults and many of the denominational differences today can be traced to a lack of understanding of the mystery of the kingdoms. The key to understanding the entire Bible is found in knowing the differences among the eight kingdoms. It is the difference between a Bible that is confusing and one that makes perfect sense. It is the difference between allegorizing the Scripture and that of boldly accepting it literally. When you finish reading this book, you will assuredly know the difference.

Learning From the Atheists (BOOKLET)

[5600-10]

Over a period of 50 years, I have spoken with many professing atheists & agnostics. I always find the encounter most interesting. I must say that I am more pleased when a man or woman boldly professes to disbelieve in God than when someone glibly claims to believe. I like talking to atheists or agnostics. They are thinking. They have taken a position and boldly testify. They have reasons. I want to hear their reasons. When anyone claims to believe in anything, he has made himself vulnerable. He has thrown his core beliefs into the public area for examination. So examine them we will.

She continues as he grows, refusing to accept that and not only dreamed but labored to make that dream a reality. Throughout his life he shares his dream with others, inviting them to also dream and join him in his labors. Although in life he only reached the mountaintop his dream lives on and has become a reality for many over the years. Listen To My Dream will captivate readers young and old with its engaging storytelling and colorful artwork. 1 & 2 Thessalonians (MP3 CD)

[8440-55]

\$12.95

The Apostle Paul writes to his favorite church, the one that had been faithful under persecution. He commends them like no other church of the first century, telling them that they are his “crown of rejoicing,” his example to the other churches. He said they gave him a reason to live and to continue his ministry.

In his first letter he comforts them concerning their dead loved ones by affirming the Rapture and second coming of our Lord. In his second letter, written about one year later, he corrects a false impression that the day of the Lord was at hand, and then gives them some of the most practical teaching found in the New Testament. Did you know that if a preacher doesn’t work he shouldn’t eat? How practical is that?
