### **Samuel Learns To Yell and Tell, A Warning for Children Against Sexual Predators**

By Debi Pearl

An award winning author steps into troubled waters writing books for children instructing them how to respond if a sexual predator makes an advance. The predator can be another child, a family friend, an older sibling, a sports coach, a church leader, or another relative. **Yell and Tell** is the first in the series of books addressing the subject of children dealing with sexual predators in a mature way.

**Yell and Tell** is written in a musical rhyme and rhythm that children love. They will also be more inclined to remember what they read by this type of writing. It is told in a simple story telling manner introducing a delightful young boy named Samuel to lead the way.

Children as young as four years old through pre-teens will find the story captivating, as well as instructional. Four times, young Samuel is discreetly challenged by his mother to consider how he should respond if he were faced with situations concerning sexual advances. Each time Samuel thinks his way through and responds by assuring his mother he will always yell and tell.

Giving a child this simple knowledge is arming them with wisdom to always yell and always tell. This is a priceless tool for parents as they seek to protect their children from those who seek them harm.

#### Excerpt One

What will you do, my Samuel?  
You're just a little boy  
When he says to you, Shhhh don't yell?  
And don't you ever, ever tell.  
What will you do?  
What will you do?  
Will you yell and tell?

#### Excerpt Two

I know, I know, I'm just a boy.  
But I can yell and I can tell.  
I'll yell so loud and yell so long that  
The table shakes and rumbles  
And then I'll run and yell and tell  
I'll make that old devil grumble.

I was prompted to write this book after receiving an alarming number of letters and emails asking for advice about children that have been molested in some manner. I wanted to write it in a way that children will enjoy reading and fully understand the concept of yelling and telling when approached in an inappropriate way.

The book will be available through No Greater Joy Ministries [www.nogreaterjoy.org](http://www.nogreaterjoy.org) on November 1, 2010. There will be a special Amazon promotion on 11/2-3 (see the website for details after 10/14/10).

## About the Author

In 2004 Debi authored her first book, **Created To Be His Help Meet**, a book on marriage. Prior to that she coauthored several books with her husband Mike. The book has sold over 360,000 copies in English and Spanish and has been published in several other languages through rights and licensing agreements.

In 2006 *Created* was followed up with a Journal authored by Debi entitled, **The Help Meet's Journey: A Yearly Companion Journal for Created To Be His Help Meet**.

**Listen To My Dream** written in December, 2009 is Debi's first children's book. Within a month of its release it reached #1 on Amazon for Children's Educational Books twice. **The Vision**, Debi's first novel released in July, 2009 has reached the Amazon Top 100 five times and the Barnes and Noble Top 100 three times.

**Preparing To Be A Help Meet** was released on April 9, 2010 and became an Amazon Best Seller just 34 days later. On May 13, 2010 it ranked #94 and on May 14, it reached #86. Amazon, the world's largest on line book retailer offers over 7.8 million titles on its website. **Preparing** has already sold over 24,000 copies. To be rated as a best seller, a book has to rank in the Top 100 in total sales over a 24 hour period.

Debi and her husband Mike author a free bi-monthly magazine called **No Greater Joy** which explores child training, marriage, Bible teaching, and natural remedies. You are invited to visit them at [www.nogreaterjoy.org](http://www.nogreaterjoy.org) and [www.debipearl.com](http://www.debipearl.com). Mike and Debi's books have sold over 2 million copies and have been translated into over 30 languages.
